- The minutes were not available for reading, Introductions were made.
- Babak noted a notice we have received on a learning garden of organic product being sold at Richland School.
- Babak opened a discussion regarding the MVCC arts and education micro grant funding and the guidelines to use. This is to include the process for giving and receiving grants to the local schools and services serving the community. This is to give the public notice that funds are available to all services interested .
- Rick noted samples of how the needs may be determined in the community requests.
- It was noted we need to out reach to the whole community.
- David Staton gave a presentation on the need in setting up a computer lab at GrandView elementary school.. A motion was made and passed to fund \$ 1500. for their computer lab. This will be placed on the agenda for the next board meeting.
- A discussion was lead by Kate about the problems the neighbors are having with the students at Walgrove and Mark Twain schools. This may be referred to the safety committee.
- Rick Salen voiced his complaint regarding Measure L and the jogging path at Walgrove School.
- The fall festival was discussed and the possibility of the Art exhibits and the children of choral groups performing. Art PSI may participate.
- The results of the Education Summit was discussed, with the hope of having another one in October and also putting the first one on a CD.
- The meeting was adjourned at 7:58 PM
